Special notes to painter:

Please note. To ensure ALM provides you with the best possible recreation , we need clear photographs from all possible angles, shot in the best possible light. We also need close ups of antennae, special graphics, door handles, and any other special feature your vehicle has. In the event that your vehicle is new to us, we may need you to provide schematics drawings. ALM models are hand carved and hand painted. Although we strive to be as accurate as possible, some anomalies may be present, also, as the carvings are made of wood, over time some small cracks may appear. It is normal in the lifespan of all natural products to expand and contract. To ensure the longest life of your ALM model please keep out of direct sunlight, and in temperature controlled conditions. ALM assumes customer has received any licenses required for livery replication.

Although ALM Strives to have a quick as possible turn around time for orders, Volumes and international shipping conditions are such that a 4-5 month turn around time is normal. Please contact me at [arnold@almmodels.com](mailto:arnold@almmodels.com) if you have any questions.

Please make cheques payable to **ALM Custom Carvings**.  
Payment may also be made through PayPal [www.paypal.com](http://www.paypal.com) to [arnold@almmodels.com](mailto:arnold@almmodels.com)  
Freight charges to be determined at time of shipping from Vancouver, BC. Customer will be notified.

Sincerely,  
  
Arnold Klappe  
President, ALM Custom Carvings.
